"Unlimited Potential - A unique waterfront opportunity.â€•"

Imagine waking up to a sunrise over the river, watching the kids play in the ocean, doing a spot of fishing or kite surfing virtually at your front door...

Situated at the mouth of the Tamar River, a region famous for produce and wine, this substantial 33 acre block is well and truly located in paddock to plate country. Multiple wineries and produce houses line the river, making the area tantalising for locals and visitors alike. The gold mining town of Beaconsfield is a short drive with all services including supermarket, cafes, pharmacy and primary school close at hand.
